BIO 2010 - Business Expansion Assistance: Bavaria, Germany

Dear <Salutation> <Last Name>:

The greater Munich area is **Germany's leading Biotech and venture capital location**, Regensburg has Bavaria's second highest concentration of Biotech companies, along with the growing locations of Würzburg, Erlangen-Nuremberg, Bayreuth and Straubing. If your future strategic plans include establishing a presence in continental Europe, we invite you to consider the German State of Bavaria – a major European Life Sciences hub.

The State of Bavaria U.S. Office for Economic Development provides professional assistance, at no charge, to American companies considering expanding in Europe. Whether you are looking to establish connections, choose locations or maximize research cooperation, we would be pleased to help you.

To arrange a one on one meeting at BIO 2010 International Convention in Chicago, May 3rd - 6th at Booth 4623, we invite you to contact us: jdanism@bavaria.org or (212) 317-0588.

Our services are designed to quickly connect you to the people and information you need to establish and develop your presence in Bavaria/Germany/Europe. Below are some examples of how we may help you:

- Provide valuable information on Bavaria's life science sector to support your planning/analysis
- Introductions to key industry contacts and resources from our vast network
- Provide information on potential opportunities for financing and incentives per funding criteria/qualifications
- Identification of available sites and facilities based on your specific location criteria
- Assistance with administrative formalities necessary to start a business in Bavaria

We invite you to visit www.bavaria.org for additional information. We thank you for considering Bavaria and look forward to talking with you.

Very truly yours,

Dagmar A. Cassan
Executive Managing Director

Jan Danisman
Deputy Director – Projects
